**REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT FOR
APPLICANT'S MISTAKE (37 CFR § 1.323)**

Sir:

It is noted that an error appears in this patent application of a clerical nature or character, as more fully described below. The error occurred in good faith. Correction thereof does not involve such changes in the patent as would constitute new matter or would require re-examination. A certificate of correction is requested.

Attached hereto, in duplicate, is Form PTO/SB/44, both copies being suitable for printing. The exact column and line number where the error occurs in the issued patent is:

1. Claim 6, column 11, lines 15-16, the word "of" is omitted between "function" and "the".

The portion "a function the type" should read --a function of the type--.

Further, the exact page and line where the error in the issued patent is shown correctly in the application file is:

1. Original Specification, Page 17, Claim 8, line 3 recites (in part) "a function of the type".

Please send the Certificate of Correction to the address listed below. A check in the amount of \$100.00 is attached to cover the statutory fee for the Certificate of Correction.

Respectfully submitted,
